Dear Bill:

Thank you so much for performing at our Annual Senior Seminar Day. Your show was fantastic. I have heard nothing but praise and positive comments from not only the students, but also the adults. Your showmanship and sense of humor was just the right approach to reach the seniors who, just two months before graduation, feel they have seen and heard it all before. I know they heard your very powerful messages.

Please feel free to give my name and telephone number to anyone who would like to hear about how our school received you.

Thanks again and best of luck in the future.

Sincerely,

Henrietta Lodge, C.S.W.
