Dear Bill,

On behalf of the New England Alliance for Addiction Recovery (NEAAR), the Connecticut Community for Addiction Recovery (CCAR) and THE CENTER, I'd like to thank you for presenting at the first annual "In Celebration of Recovery!" conference on September 24, 1999. Overall, the conference evaluations were remarkable. Your extremely entertaining closing presentation was vital in helping us with these excellent evaluations.

I have included a summary of the overall evaluation for the conference. As you can see, your "major" presentation received the highest evaluation.

Thanks again for presenting. We hope to work with you in the future.

Sincerely,

Bob Savage
