Dear Bill,

I would like to thank you for the wonderful performance of Last Call that you did for the Manchester High School New Student Orientation. Even though this was the first time that you gave a performance for incoming high school freshman, you managed to combine the right amounts of entertainment and statistics to create a show that was informative and enjoyable. By sharing your own experiences in such an innovative way, you seem to reach students in a much more effective manner than traditional drug and alcohol awareness programs. Most importantly, however, your juggling skills are quite impressive and the show is lots of fun to watch!

The students and I thoroughly enjoyed the performance, and I hope to have the opportunity to see it again in the future. As I mentioned, we will attempt to arrange an evening show of Last Call for parents sometime in October, and I will be in touch with you and Andree as soon as we know possible dates.

Thanks again for adding some fun to the orientation while exposing the students to important information that will hopefully make a positive impact on their choices in life. You put on a great show!

Sincerely,

Marla Mandel
