Dear Bill,

Just a short note to let you know how much the students and I enjoyed your show. There was a lot of talk about the performance among the Greek community on campus. I think your message hit home. I personally observed several individuals very moved during the vignette on alcohol and sexual assault.

Thank you again for making the trip down to the University of Maryland and providing both an entertaining and informative presentation.

Sincerely,

A handwritten signature in black ink, appearing to read "J. Gruber".
